

# About National Donate Life Month

**National Donate Life Month** (NDLM) was established by **Donate Life America** and its partnering organizations in 2003. Observed in April each year, National Donate Life Month helps raise awareness about donation, encourage Americans to **register as organ, eye and tissue donors** and to honor those that have saved lives through the gift of donation.

The 2022 National Donate Life Month theme is **Bee a Donor!** Donate Life America was inspired by the vital role that bees play in sustaining life. Bees are a small but powerful life force, working together with dedication, collaboration and a strong sense of community.

This National Donate Life Month, we ask you to be a part of this interconnected life-sustaining community by **registering as an organ, eye and tissue donor**; becoming educated about living donation; and championing the Donate Life cause.
