2023 Holiday Card Art Contest

4 winners will be selected and announced in early November!

2023 CONTEST THEME: **Composing Life's Symphony**

The organ donation process has been described as a symphony and we all have a part to play in the symphony of life. Just like a musical symphony, it takes many people working in concert to make the complex process happen. Beginning with the incredible generosity of the donors and their families, to the dedicated medical professionals performing the life-saving work and the support from advocates, caregivers, transplant recipients and more -- we are all part of this life-sustaining Donate Life Community. Donor Network West invites you to submit your creative takes on what it means to be a part of the Symphony of Life!

Important Dates:

- Art must be submitted by: **Tuesday, October 31, 2023** (11:59 p.m. PST).
- Winners will be announced in early November.

Judging:

Entries will be judged on creativity, visual impact, artistic merit, and originality by Donor Network West. Students can refer to our website **www.DonorNetworkWest.org** or content on our social channels, Facebook, YouTube and Instagram for additional background and context.
