

Celebrating Faith, Hope and Life

2018 National Donor Sabbath

Bulletin Messages

Week 1

Organ and tissue donation offers the hope to heal lives and is a generous act supported by all major religions. Your decision to register as a donor gives hope to the thousands who are waiting for a second chance at life. Among them are parents hoping to see their children grow up and kids looking forward to pursuing their dreams, but their future looks uncertain. Be a miracle to someone in need; register as a donor at DonorNetworkWest.org or at the DMV and share your decision with your loved ones.

Week 2

Organ and tissue donation is recognized by all major faiths as a noble and meritorious act. Donors save and heal the lives of many people in our community every day and are celebrated for their generosity by transplant recipients. Sadly, 22 people die every day in the U.S. for a transplant that hasn't come in time. Be a miracle to someone in need; register as a donor at DonorNetworkWest.org or at the DMV and share your decision with your loved ones.

Week 3

We, as people of faith, are called to contribute to causes that are greater than us. Helping those in need is one of those causes. We can all be a miracle to someone in need; register as an organ and tissue donor at DonorNetworkWest.org or at the DMV and share your decision with your loved ones.

Week 4

The Holidays are upon us. This is a time to reflect on and have gratitude for all of the blessings that we have received throughout the year. While many of are looking forward to celebrating with our loved ones, thousands of people in our community who are on the transplant wait list will be wondering if this might be their last holiday. Organ and tissue donors can give the most precious gift, the Gift of Life; register as an organ and tissue donor at DonorNetworkWest.org or at the DMV and share your decision with your loved ones.
